

Adaptive Technology Center Lending Program

Student Loan Evaluation Feedback Form

Dear Student,

This semester you have borrowed a piece of software, hardware, and/or equipment from the Adaptive Technology Center's Equipment Lending Program, and we would like to ask for your feedback on the item. The information you provide will help us improve our Lending Program so that we will be able to assist additional college students in the future. We would very much appreciate you taking a few minutes to answer the following four questions.

1. **Student Name** _____

2. **College** _____

3. **Equipment/Software borrowed** _____

4. **Did the software/hardware help you with your coursework?**

___ Yes ___ No

5. **If yes, please give us an example of how the equipment helped you. If no, please tell us why the equipment did not help you. Did you have any problems using the item(s).**

___ Yes ___ No

6. **If yes, please describe:**

7. **Would you recommend the Adaptive Technology Lending Program to other students?**

__5 - Highest recommendation __4 __3 __2 __1 - I would not recommend this program

8. **Would you recommend this product to another student?**

__5 - Highest recommendation __4 __3 __2 __1 - I would not recommend this program

9. **If you have any other comments, please write them below:**
